

THE MEMLOK BIBLE MEMORY SYSTEM

THE REVIEW SYSTEM

FIRST SIX WEEKS:

- Step 1** Read and do "Getting Started" (p. 3).
- Step 2** Once a week insert a NEW CARD in the lower right slot for **daily** review (on bottom). **All** cards in this slot are reviewed **daily!**

BEGINNING WITH WEEK SEVEN:

- Step 3** Move the **oldest** card into **Mon's** slot each week until it has six cards. Keep in order. **All** Mon cards are reviewed **once a week**.
Do NOT move these 6 cards to Tue!
- Step 4** Repeat **Step 3** for **Tue-Fri**. By nine months, you'll have six cards each in **Mon-Fri & Daily Review** (36 cards).

A typical day's review after six weeks...

Six newest cards
+ Day of week cards
Total: 12 cards (5 minutes)

Daily/Weekly Cardholder

For cards reviewed 1st Daily, then once a week.

Step 3 Monday 6 cards (newest on bottom)	Saturday OFF
Step 4 Tuesday 6 cards	Sunday OFF
Wednesday 6 cards	Empty
Thursday 6 cards	Verses you plan to learn soon.
Friday 6 cards	Daily Review 6 newest cards

Only **ONE** plastic is used the first 9 months.

Don't read below this until you've done 36 cards!

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
12-13 cards	Step C	Step C	Step C	etc.			

(Tip: squeeze piles out from back.)

A. Move **Mon & Tue's** cards (12 total) and **Summary Card** (optional) to **Week 1** (upper left). Review these cards once during the 1st week of every other month.

B. Move the remaining **Weekly** review cards (Wed-Fri) **up** to **Mon-Wed**, so Thu & Fri are open to receive the oldest card each week again from **Daily Review**.

C. Repeat **Step A** about every 12 weeks (when Thu-Fri are full again), except move the cards to the top slot in Weeks 2,3,4 etc. Then begin filling in the 2nd row across all the weeks. (Some prefer to fill up one plastic at a time and review their verses MONTHLY). When you complete **MEMLOK's** 48 topics, all cards will be reviewed once every 2 months. At some point, you may want to put the topics in alphabetical order or label the pages odd/even months.

If you purchased a **Pocket Cardholder**, it has 3 places for cards. You can conveniently carry daily cards outside, and weekly and bi-monthly cards inside.
